## She Wolf

У

SOS she's in disquise SOS she's in disguise There's a she wolf in disguise Coming out coming out coming out A domesticated girl that's all you ask of me Darling it is no joke this is lycanthropy The moon's awake now with eyes wide open My body's craving so feed the hungry I've been devoting myself to you Monday to Monday and Friday to Frida Not getting enough retribution or decent incentives to keep me at it I'm starting to feel just a little abused like a coffee machine in an office So I'm gonna go somewhere cozy to get me a lover and tell you all abo ut. it. There's a she wolf in the closet Open up and set it free There's a she wolf in your closet Let it out so it can breathe Sitting across a bar staring right at her prey It's going well so far she's gonna get her way Nocturnal creatures are not so prudent The moon's my teacher and I'm her student To locate the single men I got on me a special radar And the fire department hotline in case I get in trouble later

Not looking for cute little divos or rich city guys I just want to enjoy By having a very good time and behave very bad in the arms of a boy

There's a she wolf in the closet Open up and set it free There's a she wolf in your closet Let it out so it can breathe

SOS she's in disguise SOS she's in disguise There's a she wolf in disguise Coming out coming out coming out

SOS she's in disguise SOS she's in disquise There's a she wolf in disguise Coming out coming out coming out Shakira
