

## The One (Glen's Mix)

Shakira

So I find a reason to shave my legs  
Each single morning  
So I count on someone on Friday nights  
To take me dancing and then  
To church on Sundays  
To plant more dreams  
And someday think of kids  
Or maybe just to save a little money

R: You're the one I need  
The way back home is always long  
But if you're close to me I'm holding on  
You're the one I need  
My real life has just begun  
Cause there's nothing like your smile made of sun

In the world full of strangers  
You're the one I know

So I learned to cook and finally lose  
My kitchen phobia  
And so I got the arms to cuddle in  
When there's a ghost or a muse  
That brings insomnia  
To buy more thongs  
To write more happy songs  
It always takes a little help from someone

R: You're the one I need... (2x)

You're the one I need  
You're the one I need

With You my real life has just begun

You're the one I need  
You're the one I need

Nothing like your smile made of sun

Nothing like your love  
Nothing like your love  
Nothing like your love
