The One (Glen's Mix)

So I find a reason to shave my legs Each single morning So I count on someone on Friday nights To take me dancing and then To church on Sundays To plant more dreams And someday think of kids Or maybe just to save a little money

R: You're the one I need The way back home is always long But if you're close to me I'm holding on You're the one I need My real life has just begun Cause there's nothing like your smile made of sun

In the world full of strangers You're the one I know

So I learned to cook and finally lose My kitchen phobia And so I got the arms to cuddle in When there's a ghost or a muse That brings insomnia To buy more thongs To write more happy songs It always takes a little help from someone

R: You're the one I need... (2x)

You're the one I need You're the one I need

With You my real life has just begun

You're the one I need You're the one I need

Nothing like your smile made of sun

Nothing like your love Nothing like your love Nothing like your love Shakira
