

# The One

Shakira

1. So I find a reason to shave my legs  
Each single morning  
So I count on someone friday nights to take me dancing  
And then to church on Sundays  
To plan more dreams  
And someday think of kids  
Or maybe just to save a little money

R: You're the one I need  
The way back home is always long  
But if you're close to me  
I'm holding on  
You're the one I need  
My real life has just begun  
Cause there's nothing like your smile  
made of sun

In a world full of strangers  
You're the one I know

2. So I learn to cook and finally lose  
my kitchen phobia  
So I've got the arms to cuddle in when there's a ghost or a muse  
That brings insomnia  
To buy more thongs  
And write more happy songs  
It always takes a little help from someone

R: You're the one I need...

R: You're the one I need...

\*: You're the one I need  
You're the one I need  
With you my real life has just begun  
You're the one I need  
You're the one I need  
Nothing like your smile made of sun  
Nothing like your love  
Nothing like your love  
Nothing like your love
