

# Why Wait

Shakira

Put your trust in me  
I won't let you down  
Don't delay the things  
That you want right now

Why wait for later?  
Hey I don't you want some action  
I'm not a waiter I like to make things happen

Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know  
Baby come home

One more night with you  
I won't think it through  
Time's money but you knew  
There's nothing in the world you can think of that I won't do to you.

Drowning in your sweat  
Till I drench my clothes  
You've seen nothing yet  
Wait till you let go.

Why wait for later?  
Obey my intuition  
We're gonna be just fine  
I've got a premonition

Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know  
Baby come home

One more night with you  
I won't think it through  
Time's money but you knew  
There's nothing in the world you can think of that I won't do to you.

I'm gonna dance through the veil of your eyes  
While you follow my steps in the sand  
I see your fate in the palm of your hand.

No one looks, no one hears us this time  
It's only me and your conscious tonight  
If there are no witnesses, there is no crime.

Why wait for later?  
I'm not a waiter.

Something's coming on, coming on strong  
Don't take too long  
Don't you wanna know  
Baby come home.

One more night with you  
I won't think it through

Time's money but you knew  
There's nothing in the world you can think of that I won't do to you.

One more night with you  
I won't think it through  
Time's money but you knew  
There's nothing in the world you can think of that I won't do to you.
