

Back On Track

Shakra

Nothing gets us down moving all around
Making all with drive it's great to be alive
Liberty is calling heading for the sighs

Cause we're not dead
We are back

Yes we're back on track
Walking tall
It's the perfect match
Freedom call
Yes we're back on track
No more slain
It's the perfect match
No more pain

Our day has come straight on number one
We play our cards right gonna blow your mind
Back in the ring again downers took an end

Cause we're not dead
We are back

Yes we're back on track
Walking tall
It's the perfect match
Freedom call
Yes we're back on track
No more slain
It's the perfect match
No more pain
