I'm a man who's restless
Don't know any frontiers
I live my live, no changes
And break through all barriers

Don't earn a million dollars But travel' round the world Your envy keeps distracting you From your daily routine.

Say, how else can i make your day? Any more bliss i have to pay? What else do you want me to say? Why do you bother me this way? Say, how else can i make your day?

You always try to force me To live my life like you Thinking it's unjust for me To do the things I do.

Sure, you're in a raw deal You think it is quite fair To denounce me anyway you can To pester me this way

Say, how else can i make your day? Any more bliss i have to pay? What else do you want me to say? Why do you bother me this way? Say, how else can i make your day?
