

# Don't Get Stopped In Beverly Hills

Shalamar

Don't get stopped in Beverly Hills  
You better walk soft in Beverly Hills  
Don't get wild in Beverly Hills  
You gotta have style in Beverly Hills

You look around thinkin' your number's up  
You see the lights flash in your eyes  
It's goin' down louder than thunder  
You're shakin' hard, thinkin' those lies

There's no escape once they get to you  
There's no excuse, they're gonna buy  
They're comin' down, boy, let me warn you  
They know it all, so don't even try

(Don't get stopped) Don't get stopped (Hey) in Beverly Hills  
(Walk soft) You better walk soft (Uh) in Beverly Hills  
(Don't get wild) Don't get wild (Hey) in Beverly Hills  
(Have style) You gotta have style in Beverly Hills

They do it right, everything's by the book  
There ain't no slack when they're around  
You better not give them no reason  
You better stop, don't make a sound

You see them out cruisin' your neighborhood  
It's always cool when they're around  
When something's up, you better dial that number  
'Cause they're the best, the best in this town

(Don't get stopped) Don't get stopped (Hey) in Beverly Hills  
(Oh, walk soft) You better walk soft (Uh) in Beverly Hills  
(Don't get wild) Don't get wild (Hey) in Beverly Hills  
(Oh, gotta have style) You gotta have style (Oh) in Beverly Hills

(Don't get stopped) Don't get stopped (Ah) in Beverly Hills  
(Walk soft) You better walk soft (Hey) in Beverly Hills

Oh, get down
