Night To Remember

Shalamar

When you love someone it's natural, not demanding And that's one thing I'm proud to say I found in you I'm so glad we reached an understanding Now I know my heart is safe with you, hoo... So now my love to you, baby, I surrender

Get ready tonight Gonna make this a night to remember Get ready (Oh, baby) tonight Gonna make this a night to remember

Celebrations and my heart could stay united And there's nothing in this world to come between me and you We're together and it keeps me so excited To think of what the power of love can do, ooh... And I'm filled with a love that's, oh, so tender

Get ready I'm gonna make this a night to remember Get ready tonight I'm gonna make this a night to remember

Make this a night to remember

Get ready tonight Gonna make this a night to remember Get ready tonight Gonna make this a night to remember

Get ready (Baby) tonight (Darlin') Gonna make this a night to remember Get ready (Darlin') tonight (Baby) Gonna make this a night to remember

This night you won't forget Gonna make this a night to remember 'Cause your love I won't regret Gonna make this a night to remember

Get ready tonight (Darlin') Gonna make this a night to remember Get ready tonight (I will make it last) Gonna make this a night to remember

Let's make a toast to those who helped make this occasion They turn their back on love and that's what drove you straight to me Now to you I make a lasting dedication I'll show you all that love and life can be, hoo... And each day that I live I will deliver
