

Pop Along Kid

Shalamar

They call him the pop along kid
They call him the pop along kid, yeah

Just when you thought you had
The latest dancing fad
No one could handle your stuff, no
This kid broke in the scene
His style was really mean
This kid's got more than enough

To make a name to challenge him
They come from miles around
It's just their pride they're chancing, yeah

On the one
For good reason (ooh)
They call him the pop along kid
He's got more moves
Than he can use (than he can use)
They call him the pop along kid, yeah

His body twists and bends
Direction's never end
They named him after the pop, yeah
He has a backward slide
With such an easy stride
He's really something to watch

People asked him how he does it
There ain't no strings attached
Not everyone can do it, no

Watch him break
In every way (in which way)
They call him the pop along kid
(they call him pop along)
When he backslides,
You'll know why (and you'll know why)
They call him the pop along kid, yeah

See his body pop and you'll know why
They call him the pop along kid
Backslide with the smoothest ride
They call him the pop along kid, yeah

Break
Come see, watch his body break
You might not catch a second take
He works his body so precise
You'll have to see it twice
He's throwing down the popping set
Now everybody's gonna get
But if you wanna take a chance,
Let's try this popping dance

Break
Let me see you break

Break
Let me see you break

Break
Let me see you break
Break
Let me see you break, ooh, ow!

To make a name to challenge him
They come from miles around
It's just their pride they're chancing, yeah

On the one (on the one)
For good reason (for good reason)
They call him the pop along kid
(that's what they call him, y'all)
He's got more moves (got more moves)
Than he can use (than he can use)
They call him the pop along kid
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

They call him the pop along kid
They call him the pop along kid
They call him the pop along kid
They call him the pop along kid
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
