

Blackpool, 10 o'clock
If everybody's ready, let's punk rock
Look at him with the safety pin
yeah turn it up and let's begin...Let 'em in

Blackpool, Friday night
I really wanna do it, do it tonight
Yeah look at him with the safety pin
Turn it up and let 'em in...so

Let 'em in, let 'em in, let em in
Let 'em in, let 'em in, let 'em in

Bed and breakfast up the tower
Hey baby do you want it louder?
Yeah I'm the one with the safety pin
I'm the one that said let 'em in...so

Let 'em in, let 'em in, let em in
Let 'em in, let 'em in, let 'em in

Turn it up, turn it up loud
Turn it up loud for the Blackpool crowd

Yeah I'm a punk and I'm so proud
I wanna turn it up, turn it up loud
Cos I'm the one with the safety pin
I'm the one that said let 'em in...so

Let 'em in, let 'em in, let em in
Let 'em in, let 'em in, let 'em in

Turn it up, turn it up loud
Turn it up loud for the Blackpool crowd
