

Blackpool, 10 o'clock  
If everybody's ready, let's punk rock  
Look at him with the safety pin  
yeah turn it up and let's begin...Let 'em in

Blackpool, Friday night  
I really wanna do it, do it tonight  
Yeah look at him with the safety pin  
Turn it up and let 'em in...so

Let 'em in, let 'em in, let em in  
Let 'em in, let 'em in, let 'em in

Bed and breakfast up the tower  
Hey baby do you want it louder?  
Yeah I'm the one with the safety pin  
I'm the one that said let 'em in...so

Let 'em in, let 'em in, let em in  
Let 'em in, let 'em in, let 'em in

Turn it up, turn it up loud  
Turn it up loud for the Blackpool crowd

Yeah I'm a punk and I'm so proud  
I wanna turn it up, turn it up loud  
Cos I'm the one with the safety pin  
I'm the one that said let 'em in...so

Let 'em in, let 'em in, let em in  
Let 'em in, let 'em in, let 'em in

Turn it up, turn it up loud  
Turn it up loud for the Blackpool crowd
