## **Hurry Up Harry**

Come on come on Hurry up Harry come on Come on come on Hurry up Harry come on We're going down the pub We're going down the pub

Now listen here Harry If we're going down the pub You'd better tell your mum and dad And finish up your grub I wish you'd listen to me No, I don't want a cup of tea

Come on come on Hurry up Harry come on Come on come on Hurry up Harry come on We're going down the pub We're going down the pub

You're telling me to grow up But Harry don't you see If I tried to act my age I wouldn't be me We never do anything So now's the time to begin

Come on come on Hurry up Harry come on Come on come on Hurry up Harry come on We're going down the pub We're going down the pub

You don't have to tell me That the thing's I do are wrong But everything I do in life Is with us right or wrong Now I think I understand How to have some fun

Come on come on Hurry up Harry come on Come on come on Hurry up Harry come on We're going down the pub We're going down the pub
