

## I Don't Wanna

Sham 69

I don't wanna work in no factory  
And I don't want no strike  
And I don't want no dole queue  
No I don't wanna  
No I don't wanna  
No I don't wanna be  
I don't wanna work to sixty five  
And I don't want no gold watch  
And I don't want no pension book  
No I don't wanna  
No I don't wanna  
No I don't wanna be  
I don't wanna live up in the sky  
And I don't wanna be buried high  
And I don't want no skyscraper  
No I don't wanna  
No I don't wanna  
No I don't wanna be
