Shamrain

it's still like a dream  
the worst nightmare  
that i've ever seen  
only this time's for real  
this time's for real

i have to do this on my own  
lay you down into your eternity  
i try to keep you alive  
in memories, deep inside  
i try to keep you alive  
i can't let go, can't let go

all of my love  
it died with you  
and all my dreams  
can now ever be true  
they died with you

i would give anything  
if i could once more see your face  
i would give my everything  
if i could once more feel your embrace
