

Holding The Earth

Shamrain

Can you ease up
For a while now
Before you burn out
For holding the earth
On your own

I am not that strong
But I think I can carry on
For some time
Together we will
Hold the earth
For some time
For some time
For some time
For some time

I have lost my faith
I'm just holding on
You know I used to be strong
But every waken hour
I'm scared we will fall
We can't hold it anymore
We can't hold the earth
Anymore

We can't hold it anymore
We can't hold the earth
Anymore
