Holding The Earth

Can you ease up For a while now Before you burn out For holding the earth On your own I am not that strong But I think I can carry on For some time Together we will Hold the earth For some time For some time For some time For some time I have lost my faith I'm just holding on You know I used to be strong But every waken hour I'm scared we will fall We can't hold it anymore

We can't hold the earth Anymore

We can't hold it anymore We can't hold the earth Anymore Shamrain
