You are my Daydream - Sunbeam, touching me tender  
Daydream - your scheme makes me surrender  
Take me - But baby don't wake me  
Cos I am dreaming I'll be loved by you  
You are my Daydream - Sunbeam, lighting my fire  
Daydream - Bloodstream, all I require  
Save me - Whatever you gave me  
It's like a dream that someday soon comes true  
You are my Daydream...  
You are my Daydream - You're like a sunbeam - And I'm dreaming I'll be loved  
by you
