Dawson. Shane

Did you get your d-ck stuck in the blue-ray player again?

No - no Mrs. Dawson it's Doctor Johnson.

Oh sorry I thought it was Shane.

Blu-ray player is that even possible.

For Shane - ya.

Mrs. Dawson, I have your test results in front of me. And I don't know how to tell you this but. It's positive.

I don't understand.

You only have a day to live. Now, I'm gonna gather up this information and I'mma put you on hold - ok.

This couldn't get any worse.

They put my hands up - they're playing my song.

I spoke too soon.

Mom - come on! (knocks on door)

Go away - faggit - I hate you - I hate every one.
