Superluv

Dawson. Shane

I'm running out of time
I hope that I can save you somehow
If I, If I had superpowers
I'd save the world and you would be mine, mine

Have no fear, your hero is here My super sense is tellin' me that danger is near I'm gettin' close to you so I can watch yo' back A villain's on the loose and he's ready to attack, oh!

But I'm not a superhero I'm not that kinda guy But I can save you baby, give me a try

Cause I'm runnin' out of time I know what I came to do, and I didn't come to lose, So I'll fight until you're mine And if trouble comes around, I won't be backin' down, tonight

Ococococh, if you're in danger Ococococh, I'm here to save ya Ococococh, that's what I'm made of Oh oh oh och, give you my SuperLuv

Been fightin' for your luv for all this time What I gotta do to make you mine Got no super speed, but I'm runnin' this town If you get in my way, I'm a take you down

But I'm not a superhero I'm not that kinda guy But I can save you baby, give me a try.

Cause I'm runnin' out of time I know what I came to do, and I didn't come to lose, So I'll fight until you're mine And if trouble comes around, I won't be backin' down, tonight

Ococococh, if you're in danger Ococococh, I'm here to save ya Ococococh, that's what I'm made of Oh oh oh och, give you my SuperLuv
