

All You Need To Know

Shane Filan

Sometimes you got to go back to the start
And glue back all the pieces that you took apart
Sometimes you takes the teardrops to set you free
I know you'll only working out who you wanna be
I can't know everything you want
but I'll give you everything I've gotten

I will be your shoulder to cry on
I'll be there to carry you home,
I will warm your heart like a winter sun,
It's just the way it goes
you'll never be alone
It's all you need to know
It's just the way it goes

Sometimes you need a rock that you can swim to
But sometimes you gotta go deep to be to tide
You got to start and understand to keep on trying
You can reach my hand
Cos I'll be there waiting on the other side

I will be your shoulder to cry on
I'll be there to carry you home,
I will warm your heart like a winter sun,
It's just the way it goes
you'll never be alone
It's all you need to know
It's all you need to know

I can't know everything you want
but I'll give you everything I've gotten
I will be your shoulder to cry on
I'll be there to carry you home,
I will warm your heart like a winter sun,
It's just the way it goes
you'll never be alone
It's all you need to know
It's all you need to know

Yeah you'll never be alone oh!

It's just the way it goes
It's just the way it goes
It's all you need to know
