

Better Off A Fool

Shane Filan

Do I stay or do I go
I know I have to choose
Wish you could give me everything
But that's something you can't do

I'll take what I can get
Someday I know I'll regret
Taking what I do

I'm better off a fool
If I don't have to lose you
Maybe I should turn away before it's too late
Sounds crazy
But I know the truth
I'm better off a fool

I hear the talk behind my back
They don't mean to be cruel
But they can't see it's killing me
Just being here with you

You maybe committing a crime
But I'm here doing the time
Doesn't matter much to you

I'm better off a fool
If I don't have to lose you
Maybe I should turn away before it's too late
Sounds crazy
But I know the truth
I'm better off a fool

Maybe I should turn away before it's too late
Sounds crazy

I'm better off a fool
I'm better off a fool

Turn away before it's too late
Sounds crazy
But I know the truth
I'm better off a fool

Sounds crazy but I know the truth
