

# Knee Deep In My Heart

Shane Filan

Life is running past me  
Days and hours too  
Liking at no color  
Just different shades of blue  
I heard about this love thing  
But I still need to prove  
'Cos I believed in nothing  
'Til I believed in you

And I say..  
Woohhh..  
You left your fingerprints  
All over my soul

And I caught you act red handed  
Knee deep in my heart  
When I was upside down  
Spinning round and round and round in the dark  
Act so sweet but you're guilty as charge  
I caught you act red handed  
Knee deep in my heart

I never saw it coming  
You took me by surprise  
'Cos you ain't done the cover  
Without an alibi  
You done the perfect crime girl  
Now I wanna do the time  
'Cos I got no defense but hell  
I'm gonna walk the line

And I say..  
Woohhh..  
You left your fingerprints  
All over my soul

And I caught you act red handed  
Knee deep in my heart  
When I was upside down  
Spinning round and round and round in the dark  
Act so sweet but you're guilty as charge  
I caught you act red handed  
Knee deep in my heart

Not the day the sweetest freedom  
Not by what I believe in

Woohhh..

And I say..  
Woohhh..  
You left your fingerprints  
All over my soul..  
My soul..

And I caught you act red handed  
Knee deep in my heart

When I was upside down  
Spinning round and round and round  
And I caught you act red handed  
Knee deep in my heart  
When I was upside down  
Spinning round and round and round in the dark  
Act so sweet but you're guilty as charge  
I caught you act red handed  
Knee deep in my heart

Wooooohh..
