

# One Of These Days

Shane Filan

Why do we always stumble and fall down  
So we can learn to get back up  
It ain't so bad when you're lying there on the ground  
At least you know there's only one way to go

Might sound like I've been drinking  
But somethings got me thinking  
I'm just taking it one day at a time

They say I'm crazy - I say yeah maybe  
One of these days I know I'm going to work it out  
Today I'm lazy - tomorrow maybe  
One of these days I know I'm going to work it out  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)

Why are we always looking at the grass on the other side  
It's not as green as it may seem  
Why do we spend so much on wasted time  
Coz if you close your eyes lifes gonna pass you by

Might sound like I've been drinking  
But somethings got me thinking  
And I'm just taking it on day at a time

They say I'm crazy - I say yeah maybe  
One of these days I know I'm going to work it out  
Today I'm lazy - tomorrow maybe  
One of these days I know I'm going to work it out  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)

Life goes on  
And it goes right and it goes wrong  
But it goes on and it goes do do do de le do do  
De le de le do do  
Yeah it goes do do do de le do do  
De le de le do do

They say I'm crazy - I say yeah maybe  
One of these days I know I'm going to work it out  
Today I'm lazy - tomorrow maybe  
One of these days I know I'm going to work it out  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)  
I know I'll work it out (Wo oh oh oh)
