

# Hideaway

Shane Harper

Wipe those tears  
'cause you don't need them, no  
You won't need them again, never  
All those fears  
you can throw them out the window  
You won't feel them again, ever

You're beautiful  
When you smile like that  
You've stolen my heart  
I don't want it back  
I'm all yours, yeah  
I'm Yours, not Jason Mraz  
Everything changes just like that

I'll be a soldier for you  
I'll be your only way  
When you fall out your parachute  
Let's me and you  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
All the many steps  
And all the falling stars  
Didn't know what they meant  
Or what I had to do  
And you'd expect that all my broken hearts  
Would lead me straight to you

You're beautiful  
Just The Way You Are  
Yeah, there's only one you  
You're a superstar  
And so what if I borrowed from Bruno Mars  
Doesn't mean it's not true  
It's just you being you

I'll be a soldier for you  
I'll be your only way  
When you fall out your parachute  
Let's me and you  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay

I'll be a soldier for you  
I'll be your only way  
When you fall out your parachute  
Let's me and you  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay

I'll be a soldier for you  
I'll be your only way  
When you fall out your parachute

Let's me and you  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay  
Hideaway, hideaway, hideawa-a-a-ay
