

# When I Look Into Your Eyes

Shane Harper

Have I told you before, you're one of a kind?  
The way that you make me feel, like the sun always shines.  
And have I ever let you know that I could never let you go?  
Baby, my heart is like the love's drum, beating like never before.

'Cause when I look into your eyes,  
I see the whole life is spinning out of control  
And, you know, it happens everytime,  
When we're together it's like heaven, only better  
I hope it last forever,  
Oh oh ohh, oh oh ohhh, oh oh ohh oh,  
I hope it last forever,  
Oh oh ohh, oh oh ohhh, oh oh ohh oh.

Can't shake this feeling inside, even if I try,  
And you know I'll never let you fall,  
'Cause when you're with me I can fly.

'Cause when I look into your eyes,  
I see the whole world like is spinning out of control  
And, you know, it happens everytime,  
When we're together it's like heaven, only better  
I hope it lasts forever,  
Oh oh ohh, oh oh ohhh, oh oh ohh oh,  
I hope it lasts forever,  
oh oh ohh, oh oh ohhh, oh oh ohh oh.

I need you more then you know  
Yeah, I need you, don't let me go,  
Baby, don't let go  
'Cause when I look into your eyes...

'Cause when I look into your eyes,  
I see the whole world like is spinning out of control  
And, you know, it happens everytime  
When we're together it's like heaven, only better  
I hope it last forever.

When I look into your eyes  
I see the whole  
I see  
I see the whole life  
I see it in your eyes  
I see it  
I see it  
I see it hayyy  
I see it hayyy  
I see it hayyy yeah  
I see it hayyy  
I see it heyyy  
I see it heyyy yeah
