

Be Your Girl

Shanell

Don't know if you got a girl
Don't mean to disrespect but
Thoughts of you rule my world
I even dream of you I swear
Visions of you and I
See you all around my way
Been meaning to say "Hi" but
I'm just way too shy
I gotta make you see this is
More than just a silly crush

Wonder if you even notice me at all
You gotta feel me
Would love you good
Just wanna be your girl

All alone at night
I harbor feelings for you
Holding my pillow tight
Sometimes I even touch myself
Imagining your pleasure baby.
Next time I see you I'm
Gonna walk right up to you and
Say what's on my mind
I gotta make you see, this is
More than just a silly crush

Wonder if you even notice me at all
You gotta feel me
Would love you good.
Just wanna be your girl

I wonder if you even notice me
Ooh you gotta feel me
I would love you good
Just wanna be Just wanna be
Just wanna be your girl
Wonder if you even notice me at all
You gotta feel me
Would love you good.
Just wanna be your girl.
