

My Buttons

Shanell

Hello, Hello button
Why you acting stubborn
I know wasn't
Worth all of love your coming
But pick your chin, work with me tonight
This time I swear he will do it right
Yes he will do it right (riiiiiight)
Oh he will do it right (riiiiiight)

Listen to me button
Even if he is frontin'
Still pucker up and show him
How tight you can hold him
Make him slip and slide away
You do, and this rightly may be no fun for you
I'll have more fun too (toooooo)
I'll have more fun too (toooooo)
So

Hang in there a little while longer button (Heyy)
I think the finish line is getting real closer button (Oooh)
Now he is getting and he is squeezing and he is screaming (screaming)
When he's down, he'll be getting up, leavin'
Hang in there a little while longer button

Pack your shit up button
This was disappointing
Didn't know he couldn't
Handle all of your pulsing
Should have listened to you all along
I'll take care of you
When he goes home
Can't wait 'til he goes home (can't wait 'til he goes home)
Wait 'til he goes home (can't wait 'til he goes home)

Hang in there a little while longer button
I think the finish line is getting real closer button
Now he is getting and he is squeezing and he is screaming
When he's done, he'll be getting up, leavin'
Hang in there a little while longer button

See you win some, and you lose some
You were almost there, you were almost there.
