

# Turn Up On Him

Shanell

Aye I'mma turn up on him  
I'mma do it like this  
Do it like that  
I'mma turn up on him  
I'mma bring it down slow  
Bring it up fast  
I'mma turn up on him  
I'mma do it like this  
Do it like that

He can get it he can get it  
If he's with it I can put it on his lap  
Ain't no hump in my back they scared see the arch in it  
I can prove it when I move it when I do it he's the student let me train  
Cause it's my thang watch me do it

We gotta get there like Ronny and Kane  
He calls honey while I call him lame  
Talks with a mouth full and I'll take the blame  
Says that he loves me while he makes it rain

Aye I'mma turn up on him  
I'mma do it like this  
Do it like that  
I'mma turn up on him  
I'mma bring it down slow  
Bring it up fast  
I'mma turn up on him  
I'mma do it like this  
Do it like that

Let him watch the way I rock it  
I'mma put it in my pocket all that cash  
Lady boss when her chicks got six inch heels on her stack  
I'mma take him I'mma shake him I'mma serve him like he sitting first class  
And flip his last watch me do it

We gotta get there like Ronny and Kane  
He calls honey while I call him lame  
Talks with a mouth full and I'll take the blame  
Says that he loves me while he makes it rain

Aye I'mma turn up on him  
I'mma do it like this  
Do it like that  
I'mma turn up on him  
I'mma bring it down slow  
Bring it up fast  
I'mma turn up on him  
I'mma do it like this  
Do it like that
