

# Dance with the One That Brought You

Shania Twain

Well he shines like a penny in a little kids hand  
When he's out on a Saturday night  
He's a real go-getter and the best two-stepper you'll see  
But when I'm sittin' alone at a table for two  
'Cause he's already out on the floor  
I think about somethin' that my mama used to say to me

You got to dance with the one that brought you  
Stay with the one that wants you  
The one who's gonna love you when all of the others go home  
Don't let the green grass fool ya  
Don't let the moon get to ya  
Dance with the one that brought you and you can't go wrong

He's got his old best buddies and his new best friends  
And the girls all give him the eye  
He's a good time Charlie and the life of the party tonight  
But when I think about another well I don't think twice  
'Cause there'll never be another like him  
I know he really loves me and I think maybe mama was right

You got to dance with the one that brought you  
Stay with the one that wants you  
The one who's gonna love you when all of the others go home  
Don't let the green grass fool ya  
Don't let the moon get to ya  
Dance with the one that brought you and you can't go wrong

You got to dance with the one that brought you and you can't go  
wrong
