

# I Won't Leave You Lonely

Shania Twain

Together-midnight in summer  
The air's so much warmer  
Falling in love under starlight  
Holding on so tight-together

I won't leave you lonely tonight  
I want you to hold me all night  
It's gonna be alright  
I won't leave you lonely tonight

Imagine-the air filled with jasmine  
The breeze blows with passion  
You and me dance with desire  
The moon is on fire-imagine

I won't leave you lonely tonight  
I want you to hold me all night  
It's gonna be alright  
I won't leave you lonely tonight

Je t'aime beaucoup mon amour  
You are the one I adore

I won't leave you lonely tonight  
I want you to hold me all night  
It's gonna be alright  
No you won't be lonely tonight

Na-na-na...  
Te amo mucho mi amor  
You are the one I adore  
Te amo
