

Is There Life After Love?

Shania Twain

1. Every road had a rainbow, and every wish had a star
Every tear had a shoulder to cry on, and every night had guitars
But every fool's a lonely fool, and such a fool am I
Cause every night I think of you, and every night I die

R: Is there life after love
Some things aren't certain, but some things I'm sure of
Like angels in heaven, and God up above
But is there life after love?

2. You gave me forgiveness, but you could not forget
No, I should never have told you what I'll live to regret
The truth lies between us, but I can't take it back
It's too late for lying now, it's too late for that

R: Is there life...

Here I am, there you are
We're so far apart let's pretend that I've never been
In his hands, in his heart
Can't we just start all over again?

R: Is there life...
