

Light My Fire

Shania Twain

Mmh in you arms
Ohh, I can hear your heart beat now
I can feel it beating on

1. In your arms
I can still feel the way you want me when you hold me
I can still hear the words you whispered when you told me
I can stay right here forever in your arms
And there ain't no way
I'm letting you go now and there ain't no way
and there ain't not how
I'll never see that day

R: 'Cause I'm keeping you forever and for always
we will be together all of our days
Wanna wake up every morning to your sweet face
always Mmmm, baby

2. In your heart
I can still hear a beat for every time you kiss me
And when we're apart I know how much you miss me
I can feel your love for me in your heart
And there ain't no way (And there ain't no way)
I'm letting you go now
and there ain't no way (And there ain't no way)
and there ain't not how
I'll never see that day

R: 'Cause I'm keeping you forever and for always
we will be together all of our days
Wanna wake up every morning to your sweet face
always

*: I wanna wake up every morning with you

3. In your eyes (I can still see the look of the one)
I can still see the look of the one who really loves me

(I can still feel the way that you want)
The one who wouldn't put anything else in the world above me

(I can still see love for me)
I can still see love for me in your eyes (I still see your love)
And there ain't no way I'm letting you go now
and there ain't no way
and there ain't not how I'll never see that day

R: 'Cause I'm keeping you forever and for always
we will be together all of our days
Wanna wake up every morning to your sweet face
'Cause I'm keeping you forever and for always
we will be together all of our days

Wanna wake up every morning to your sweet face
I'm keeping you forever and for always

*: I'm keeping you forever, got to keep for me

Mmh, I'm there forever, I'm in your arms
