

# When You Kiss Me

Shania Twain

Yeah.

1. This could be it, I think I'm in love, it's love this time.  
It just seems to fit, I think I'm in love, this love is mine.  
I can see you with me when I'm older,  
all my lonely night are finally over.  
You took the weight of the world off my shoulders.  
(The world just goes away.)

R: Oh, when you kiss me, I know you miss me.  
And when you're with me the world just goes away.  
The way you hold me, the way you show me,  
that you adore me, oh, when you kiss me, oh, yeah.

2. You are the one, I think I'm in love, life has begun.  
I can see the two of us together,  
I know I'm gonna be with you forever,  
love couldn't be any better.  
(The world just goes away.)

R: Oh, when you kiss me, I know you miss me.  
And when you're with me the world just goes away.  
The way you hold me, the way you show me,  
that you adore me, oh, when you kiss me, mmh, yeah.

Oh, the world just goes away when you kiss me...
