

Doin' My Thang

Shanice

Don't be mad at me
I ain't trying to have your man
He be watching me
You're just jealous cause
You can't make him turn away
But I can't help it
I'm just doing my thang, doing my thang

Your man, tell you he's so in love
Swear you're the only one
Just can't get enough of your loving
Hmm, but he be paging me
But you too blind to see
And now you roll your eyes at me cause I stay on his mind

Your man, he living in a fantasy
Thinking he can get with me
And you just can't believe I don't want him, no, no
But I could not pursue
Something that belongs to you
So if you wanna play the fool
Girl that's cool I don't mind

He said, with you is where he wants to stay
But to me, he says the very same thing
Don't be mad, I don't want him anyway
I'm doing my thang, just doing my thang
