## **Doin' My Thang**

Don't be mad at me I ain't trying to have your man He be watching me You're just jealous cause You can't make him turn away But I can't help it I'm just doing my thang, doing my thang

Your man, tell you he's so in love Swear you're the only one Just can't get enough of your loving Hmm, but he be paging me But you too blind to see And now you roll your eyes at me cause I stay on his mind

Your man, he living in a fantasy Thinking he can get with me And you just can't believe I don't want him, no, no But I could not pursue Something that belongs to you So if you wanna play the fool Girl that's cool I don't mind

He said, with you is where he wants to stay But to me, he says the very same thing Don't be mad, I don't want him anyway I'm doing my thang, just doing my thang
