

# If I Never Knew You

Shanice

If I never knew you  
If I never felt this love  
I would have no inkling of  
How precious life can be

And if I never knew you  
I would never have a clue  
How at last I'd find in you  
the missing part of me

In this world so full of fear  
Full of rage and lies  
I can see the truth so clear  
In your eyes  
So dry your eyes

And I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

If I never knew you  
I'd be safe but half as real  
Never knowing I could feel  
A love so strong and true

I'm so grateful to you  
I'd have lived my whole life through  
Lost forever  
If I never knew you

I thought our love would be so beautiful  
Somehow we made the whole world bright

I never knew that fear and hate could be so strong  
All they'd leave us were these whispers in the night  
But still my heart is singing  
We were right

If I never knew you  
If I never knew this love  
I would have no inkling of  
how precious life can be

There's no moment I regret  
Since the moment that we met  
If our time has gone too fast I've lived at last

I thought our love would be so beautiful  
Somehow we'd make the whole world bright

I thought our love would be so beautiful  
We'd turn the darkness into light

And still my heart is singing  
We were right

We were right  
And if I never knew you

I'd have lived my whole through

Empty as the sky

Never knowing why

Lost forever

If I never knew you
