

## Just A Game

Shanice

If you're not  
In love with me  
Why do you  
Pretend to be  
Could it be  
It's all just a game  
To you

I put all  
Of my faith in you  
Trying to be  
What you wanted  
Me to  
Still it seems  
It's all just a game  
To you

I've tried hard  
To understand it  
I don't know  
Whether or not  
You planned it  
Can't you see  
That love is made  
For two

If you go  
I won't regret  
Won't spend time  
Trying hard to forget  
I'll just know  
It was all just a game  
To you

I've tried hard  
To understand it  
Oh no  
I don't know  
Whether or not  
You planned it  
Can't you see  
That love is made  
For two  
That love is made  
For two  
That love is made  
For two  
But it's all just a game  
To you
