

## So Sexy

Shanice

Come on and wine and dine me  
bring me flowers and candy  
kiss me tell me you love me  
don't you know you make me feel so sexy  
come on and wine and dine me  
whisper tell me you need me  
pinch me I must be dreaming  
don't you know you make me feel so sexy

I'm about romance when it comes to my man  
this is how we get down  
hugging and kissing and candlelight all around  
take me to a place  
it's like a natural high  
and you wanna know why  
he's love it feels me up I just can't get enough

Baby rub my back you know I like it like that  
as a matter of fact  
there is nothing that I would not do for you.  
I'm your girl for life  
not just for one night  
baby I hope it's not I  
cause everyday this kind of love just don't come to you

You make me feel so sexy  
you know that's what you do  
and if you act right boy I'll make you feel it too.
