

So Sexy

Shanice

Come on and wine and dine me
bring me flowers and candy
kiss me tell me you love me
don't you know you make me feel so sexy
come on and wine and dine me
whisper tell me you need me
pinch me I must be dreaming
don't you know you make me feel so sexy

I'm about romance when it comes to my man
this is how we get down
hugging and kissing and candlelight all around
take me to a place
it's like a natural high
and you wanna know why
he's love it feels me up I just can't get enough

Baby rub my back you know I like it like that
as a matter of fact
there is nothing that I would not do for you.
I'm your girl for life
not just for one night
baby I hope it's not I
cause everyday this kind of love just don't come to you

You make me feel so sexy
you know that's what you do
and if you act right boy I'll make you feel it too.
