

Take Care Of U

Shanice

Been Workin All Day Long
Tryin To Get Yo Hustle On
Society Has Put The Pressue On U
To Make It Hard For U To Do What U Do
Gotta Let U Know, That You're Not Alone
And Baby..
That's Why I Wrote This Song
I Wrote This Song
To Ya My Appreciation For U

So Let Me Know
If Ya Cool With That
Baby..
Lay Back A While
Take Off Ya Shoes
Relax Ya Self
I'm Gonna Take Care Of U
I'm Gonna Show U Thangs
You've Never Seen Before
Make U Feel Like A Man
When U Walk Through That Door
I'm Gonna Cook Ya Dinner
Wash Ya Clothes
Change Ya Linen
I'm Not Finished Yet
It's Only The Beginning
I'm Gonna Light The Candles
Run Ya Bath
I'm Here To Take Care Of U

Now It's Time To Set The Mood
To Do The Things
That Couples Do
Turn Down The Lights
I Know U Don't Have A Clue
Victoria's Gotta A Secret For Ya
Gotta Let U Know
Never Gonna Let U Go
And Baby...
That's Why I Wrote This Song
I Wrote This Song
To Ya My Appreciation For U

So Let Me Know
If Ya Cool With That
Baby..
Lay Back A While
Take Off Ya Shoes
Relax Ya Self
I'm Gonna Take Care Of U
I'm Gonna Show U Thangs
You've Never Seen Before
Make U Feel Like A Man
When U Walk Through That Door
I'm Gonna Cook Ya Dinner
Wash Ya Clothes
Change Ya Linen

I'm Not Finished Yet
It's Only The Beginning
I'm Gonna Light The Candles
Run Ya Bath
I'm Here To Take Care Of U

Boy, U Just Don't Know
And It's Hard To Explain
I Love It When U Hold Me
And Ya Callin Out My Name
Boy, I Can't Control It
It's Hard For Me To Hold It
When U Look Into My Eyes
And I Begin To Fantasize
Boy, U Just Don't Know
And It's Hard To Explain
I Love It When U Hold Me
And Ya Callin Out My Name
Boy, I Can't Control It
That's Why I'm Gonna Take Good Care Of U

So Let Me Know
If Ya Cool With That
Baby..
Lay Back A While
Take Off Ya Shoes
Relax Ya Self
I'm Gonna Take Care Of U
I'm Gonna Show U Thangs
You've Never Seen Before
Make U Feel Like A Man
When U Walk Through That Door
I'm Gonna Cook Ya Dinner
Wash Ya Clothes
Change Ya Linen
I'm Not Finished Yet
It's Only The Beginning
I'm Gonna Light The Candles
Run Ya Bath
I'm Here To Take Care Of U
