

Things In The Movies

Shanice

You know its funny how a woman
Can get caught up in their imagination
Like a movie or something
And their mind take over having them actually think
What is an elusion is a reality
But I'm here to set the record straight honey,
Girl ain't no woman gonna stake claim on my property,
When they couldn't afford it in the first place!

Oh girl I can't help it that my man is so fine
I can tell you one thing he ain't thinkin' about your tired behind
I know you wish you had him
But you missed-out on that train
I ain't upset at all sweetie
I'm just tryin to explain
That you can't go around and try to mess up a happy home
You need to find a man of your own
And leave my man alone

Oh? ..This reminds me of things in the movies
When the story's made-up in your head
Like fatal attraction, inefficient, and misery
I know about your history
Girl you got wrong [x1]

Oh girl, in your mind you're being mislead
Cause every night my man is with me and he's sleepin in my bed
You livin in a world of make-believe
How many tricks you got up your sleeve
I'm talking to you woman to woman
And I'm tryin to make you see
That ya can't go around and try to mess up a happy home
You need to find a man of your own.

[chorus x2]

You luck I'm a woman with class
Cause if I was I get ghetto on you fast
I refuse to step down to your level
I'm not a kid in high school
I'm not gonna act a fool

[chorus x2]

You got it wrong in your mind
He ain't gonin nowhere cause he's my man.
