

# This Time

Shanice

I removed your picture from my wall  
Now what used to be a house too big  
Is now a room too small  
Everytime I close my eyes I'd realize  
I couldn't find enough things to do  
I never really got over you

I wrote you letters  
I got no reply  
And just when I was walking out on Love  
To my surprise  
Don't you wanna come inside  
Where it's warm and dry  
Instead of standing in the doorway  
With tears in your eyes

This time -- I won't back down  
This time -- I'll stand my ground  
I don't think you realize  
What went on inside  
Now I'm never gonna give up  
Until I'm back by your side

I fought off heartaches, one by one  
And when I was about to give up  
I'd realize the day was gone  
Everytime I'd close my eyes  
I'd see you cry  
I can't forget the look on your face  
Baby when I said goodbye

I read your letters each and every night  
With intent and pen in hand  
I was much too weak to write  
Every night I'd pace the floor until  
I couldn't take it anymore  
I was just about to give up  
Then you opened the door

CHORUS

Before we went wrong, you know  
We used to be so right  
I know we should surrender to love  
But we gave up without a fight

I just wanna let you know  
I never should've let you go  
Boy I wanna be back in your arms  
So let's try it once More
