

# You Were The One

Shanice

I know things don't last forever  
But I thought that you were true  
I guess I've been mistaken  
Cause our love is done and through

It hurts me  
Cause I know I was true to you  
And I'm sorry for whatever I've done to you

Oo-oo-oo baby  
You were the one for me  
Baby can't you see  
You shouldn't have set me free  
And oh why did you let me go  
I thought our love could grow  
You know I loved you so  
You were the one

I don't know why you left me  
All I know is that you're gone  
I wish I could change your feelings  
But I guess my life goes on

It hurts me  
Cause I thought you'd always be there  
But what I see  
You really didn't care  
Love is so unfair  
Cause I thought

I know it's hard for you to see  
How much you meant to me  
And if it's really meant to be  
Then you'll come back

If loving you is still a possibility  
When you return I'll be there for you  
Cause in my heart I'll always love you

I'm gonna miss you baby  
I know you're gonna miss me too  
'Cause you know  
You were the one  
And you will always be the one for me
