

She Brings The Lightning Down

Shannon Brown

One look and you know what's coming
Storm cloud is moving in
Ain't no use in running
Just take it like a man

Oh, Lord, what have you started
Cold front is settin' in
Shelter, no, you can't find it
Judgment day is here again

Oh, you better find some cover
Ooh, when you hear that rumblin' sound
Mm, 'cause there ain't no warning
Oh, when your woman comes unwound yeah
She brings the thunder, she brings the lightning down

The straight line that you've been walking
Lately is wearing thin
You can't help but cross it
Every now and then

Oh, you better find some cover
Ooh, when you hear that rumblin? sound
Mm, 'cause there ain't no warning
Oh, when your woman comes unwound yeah
She brings the thunder, she brings the lightning down

Oh, you better find some cover
Ooh, when you hear that rumblin' sound
Mm, 'cause there ain't no warning
Oh, when your woman comes unwound, yeah
She brings the thunder, she brings the lightning down
