Come Home

Shannon Noll

I believe I am The world's stupidest man And I don't know why I said those things And just in case you're wondering I'm over the thrill of letting you go Proving I'm brave by being cold And being afraid of letting it show That I love you more than you could know Come Home Come Home I believe I made The world's greatest mistake And I don't know why I act that way Would you believe me if I said I've changed? I'm over the thrill of letting you go Proving I'm brave by being cold And being afraid of letting it show That I love you more than you could know Coz I've got nothin' left to lose (Come home) And everything to prove (Come home) Just say it didn't cost me you (Come home) I swear I'm telling you the truth I'm over the thrill of letting you go Thinking I'm brave by being cold I'm sorry I made you feel all alone But I love you more than you could know Come home Come home Come home Come home Mmm I am the world's stupidest man
