Shantel

My baby came down from romania  
She was the queen of transylvania  
But now we live in suburbia  
Without any friends buzzing you  
Tsiganizatsia tsiganizatsia  
Come on baby this is what you need  
Tsiganizatsia tsiganizatsia  
Everybody dancing to this beat  
Tsiganizatsia tsiganizatsia  
Come on baby this is what you need  
Tsiganizatsia tsiganizatsia

Parti parti partizani  
Zece, alege  
Nu mai intelege  
Opt un tort (upgrade)  
Musica non stop  
Cand te vad ma pierd cu firea  
Nu'mi pot stapani privirea  
Dansezi bine esti mortala  
Si cu frumusetea ta'i bagi pe toti in boala  
Orice barbat te doreste  
Cand te vede innebuneste  
Tiar da bani, tiar da orice tiar da si casa  
Pentru tine sia lasat nevasta  
Tsiganizatsia tsiganizatsia  
Come on baby this is what you need  
Tsiganizatsia tsiganizatsia  
Everybody dancing to this beat
