

Manolis

Shantel

They got you downŷ Manoli,
What have you done to me?
No sound or wave, nor how funky it'd be,
"sti filaki tha mbeis "
What's wrong with you Manoli.
You were the one so proud.
They got you down saying "let me hit."
Let this game tonight.
Ego ime finos mangkas ke finos chasiklis
Ki otan tha ti fumaro na xomologitheis.
Ela vre manolaki na ta limarume,
Na strosume kuverta na tus ta parume.
Gia sena re manoli ta rucha mu pulo
Ke pairno baglamades ke paizo ke glento.
Ela vre Manolaki na peksis baglama
Na ftiaxoume kefali ston pseftiko dunia
