

# Kai Kai

Sharon Needles

Verse 1:

I'm just a boy boy  
Who dresses like a girl girl  
Who's looking for a toy  
In this boy driven world  
Just because I wear paint  
Doesn't mean I'm not a man  
It takes a real big  
To do what we clucking can

Pre-Chorus:

There goes the pantyhose  
Let's make a stink  
Let's make the room stink  
Bottoms up boots down  
We're born in blue but live for the pink  
We're making the coin we don't care what you think

Chorus:

Let's have a kai kai  
Serving fish tonight night  
Why would you ask me why why  
Mary it's just a kai kai  
Let's have a kai kai  
Just give it a try try  
Do it before you die die  
Hunty it's just a kai kai

Verse 2:

We're looking dusted  
Your attitude is busted  
I'm not tryin' to throw shade  
Wanna guess what we're paid?  
No T, 5 G's  
Why yins be judging me?  
G.U.N.T.  
We're hotter after every drink

Prechorus:

There goes the pantyhose  
Let's make a stink  
Let's make the room stink  
Bottoms up boots down  
We're born in blue but live for the pink  
We're making the coin we don't care what you think

Chorus:

Let's have a kai kai  
Serving fish tonight night  
Why would you ask me why why  
Mary it's just a kai kai  
Let's have a kai kai  
Just give it a try try  
Do it before you die die  
Hunty it's just a kai kai

Let's have a kai kai

Serving fish tonight night  
Why would you ask me why why  
Mary it's just a kai kai  
Let's have a kai kai  
Just give it a try try  
Do it before you die die  
Hunty it's just a kai kai

Bridge:

Ladies and gentlemen  
Oh, let me rephrase that,  
Ladies and ladies  
You're looking amazing tonight.  
Welcome to the fish fry.  
Let's stink up the place, shall we?

Not your average girl girl  
In this tranny world world  
If I were born a boy boy  
I'd still dress like a girl girl  
Pretty pretty boy boys  
Tilting on the twirl twirl  
Let's break out all our toy toys  
And take over the world world

Over powdered, over plucked  
Pantyhose don't need a tuck  
High heels, higher hair  
Legendary children stare  
Round hips, glossy lips  
Electric blue acrylic tips  
Bottoms up, boots down  
Say what you want she won the crown

Chorus:

Let's have a kai kai  
Serving fish tonight night  
Why would you ask me why why  
Mary it's just a kai kai  
Let's have a kai kai  
Just give it a try try  
Do it before you die die  
Hunty it's just a kai kai

Let's have a kai kai  
Serving fish tonight night  
Why would you ask me why why  
Mary it's just a kai kai  
Let's have a kai kai  
Just give it a try try  
Do it before you die die  
Hunty it's just a kai kai
