Every Time The Sun Comes Up

Sharon Van Etten

Pace mine for for you
Hold my horses, patient
Hey man, tricks can't wait to hear my emotions

Every time the sun comes up, I'm in trouble
Every time the sun comes up, I'm in trouble

People say I'm a one-hit wonder
But what happens when I have two?
I washed your dishes, but I shitted in your bathroom

Even when the sun comes up, I'm in trouble
Even when the sun comes up, I'm in trouble

We broke your glasses, but covered our asses
Take time silently, feel real room hi-fi

Every time the sun comes up, I'm in trouble
Every time the sun comes up, I'm in trouble
Yeah, every time the sun comes up, I'm in trouble
Imagine when
Every time the sun comes up, I see double
